Subject: Conversation between bredehoft.deborah@epa.gov and byrne.andrew@epa.gov

bredehoft.deborah@epa.gov [2:50 PM]:

Andy - Morning!

byrne.andrew@epa.gov [2:50 PM]:

Hey Deborah - how's it going?

bredehoft.deborah@epa.gov [2:51 PM]:

Its good - BUSY! (you?)

byrne.andrew@epa.gov [2:51 PM]:

extremely. Karen is on board with her detail which is already a big help, so looking forward to catch up on some items

bredehoft.deborah@epa.gov [2:51 PM]:

That would be nice - I'm sure!

bredehoft.deborah@epa.gov [2:53 PM]:

I wanted to touch base with you - have you heard anything from Felicia about Chad/Scott/Jim discussing consultation (related to COVID and McGirt) on the 8/13 TPM call?

byrne.andrew@epa.gov [2:54 PM]:

Scott has mentioned that is on his discussion list with Chad

byrne.andrew@epa.gov [2:55 PM]:

we have brought it up and are aware that Jim is potentially available at that time and provided suggested discussion items

byrne.andrew@epa.gov [2:55 PM]:

which is greatly appreciated

bredehoft.deborah@epa.gov [3:00 PM]:

Sounds good. Do you think you will be working on the talking points for this? Just wanted to start thinking about planning ahead, so we can get the discussion questions out in advance.

byrne.andrew@epa.gov [3:07 PM]:

I would be jointly working with Karen. she is coming on for the consultation portfolio and so would be the lead, if not for it being her first TPM
